### CONFERENCES & BANQUETS

- For meetings and banquets, the hotel offers six meeting rooms, a boardroom and the Grand Ballroom with a capacity of 800 people. The ballroom is also divisible into three smaller function spaces and is fully equipped with audio-visual control rooms and simultaneous translation booths, all offering state-of-the-art technology.
- Business Centre: The range of services includes photocopying, translation, fax, courier, rental of personal PC and cellular phones, a conference room for 12 people and a private office, available for rental. There are also workstations with multimedia PC, fax-modem, Internet access and a laser colour printer.
